- HTML, CSS

EDUCATION

Bachelor in Computer Engineering

IOE Purwanchal Campus
2006 - 2008

ABOUT ME

I am Tilak Thapa, a dynamic and motivated and experienced full-stack web developer currently pursuing a Bachelor's degree in Computer Engineering at IOE Purwanchal Campus. My expertise is in MERN stack and Next.js

WORK EXPERIENCE

○ Jan 2024- Present
[Prodigy InfoTech](#)

Web Developer Intern

During my internship at Prodigy InfoTech, I successfully completed assigned web development projects that were external to the company's codebase. Leveraging my expertise in the MERN stack and proficiency in Next.js, I demonstrated my ability to independently undertake end-to-end project responsibilities.

RECENT PROJECTS

○ [Bumblebee - AI Powered Chatbot](#)

Bumblebee is an AI powered chatbot that can help you with your queries. It is a web based application that can be accessed from anywhere. It uses OpenAI API to generate responses. It is MERN stack web app.

○ [FSU - WebDev Competition](#)

A website for a Student Union developed as part of a web development competition using Next.js, React.js, Tailwind CSS, and Email.js, ensuring a seamless and responsive user experience.

○ [Stringify - Effortless Text Manipulation](#)

Stringify is a user-friendly web app that simplifies text manipulation. With its intuitive interface, you can effortlessly perform tasks like case conversions, replace, URL encoding, text extraction and much more.
